

# Lokesh Chouhan

Front-End Web Developer

## Professional Summary

Motivated and detail-oriented BCA student with a strong foundation in front-end web development. Proficient in HTML, CSS, and JavaScript, with a passion for creating intuitive and responsive user interfaces. Eager to apply academic knowledge and grow within a dynamic team.

## Education

**Bachelor of Computer Application**, Vikram University, Ujjain

**12th (PCM)**, Govt. School of Excellence, Mandsaur

## Courses

**Master Diploma in Computer Application**, Sunrise Institute of T&M (2023)

## Work Experience

### Fresher

- Strong foundation in computer science principles and modern front-end development (HTML, CSS, JavaScript).
- Developed multiple projects demonstrating problem-solving and coding skills.

## Projects

### OnePlus Website Clone

Developed a responsive clone of the official OnePlus website using HTML, CSS, and JavaScript. Focused on replicating the design, layout, and interactive elements to enhance front-end development skills.

### GST Calculator

A web-based tool that allows users to calculate Goods and Services Tax (GST) quickly and accurately with a clean user interface.

### Captcha Code Generator

Implemented a JavaScript-based captcha system to enhance form security and prevent automated submissions.
